

Web site announcement

JARL Motorsport are proud to announce the launch of the Official Nicolas Minassian web site (www.nicolasminassian.com). The site, created in association with *SoRetro* will be available to the public and media from September 1st, 2004.

With the full support and backing of Nicolas Minassian, the site will detail his racing career to date as well as current news and results from the French driver. "It has been a long time since I wanted a new website, and I am exited. JARL Motorsport have put together a great site with lots of info, maybe too much!! At least you will know more about my racing - inside out."

The site is aimed at both the media and fans alike and will give an insight into the career of Minassian as well as providing timely news as it unfolds.

We welcome you all to this new site and we hope it becomes a useful tool and a favourite amongst your bookmarks.
